-RI? - --- - ---DRAFTING REQUEST RELATING TO COMMENCEMENT OF
SCHOOL STARTING DATE

I am requesting a bill draft that amends s 118.045 (as created by 1999 Act 9) to change the time period that a school board may hold a public hearing on the issue of starting the school year prior to September 1. Current law implies that the public hearing and action by the school board to approve an earlier start date may not occur until the school year for which the start date would be changed. The school year has been defined as the fiscal year which starts on July 1.

My bill would allow school boards to hold the public hearing and adopt a resolution for an earlier start date based on the calendar year in which the school start date occurs, specifically January 1.

If you have any questions on this request, please contact Mike Mikalsen on my staff.

1999 BILL

1 **AN ACT** ^{sen eat} relating to: public hearings on school starting dates.

Analysis by the Legislative Reference Bureau

Current law prohibits a school district from starting the school term before September 1 unless in that school year the school board holds a public hearing and adopts a resolution approving an earlier starting date. This bill provides that the school board may hold the public hearing and adopt the resolution in the calendar year in which the earlier starting date falls.

For further information **see** the **local** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 SECTION 1. 118.045 (3) of the statutes, as created by 1999 Wisconsin Act 9, is
3 amended to read:

4 ^{118.045} (3) A school board may commence the school term before September 1 in any
5 school year if it holds a public hearing on the issue and adopts a resolution to that
6 effect in ~~that school~~ the calendar year in which the earlier commencement date falls.

1. **JACKET** the draft for introduction

in the Senate or the **Assembly** (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one, day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached _____

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction _____

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.

If you have any questions regarding the above procedures, please call 266-3561. If you have any questions relating to the attached draft, please feel free to call me.
